**INFORMATION DISCLOSURE STATEMENT
FILED UNDER 37 CFR 1.97(e)(1)**

Sir:

The undersigned, on behalf of Applicant herewith complies with the duty of candor and good faith before the United States Patent and Trademark Office by disclosing to the Office the information/documents set forth in attached Form PTO-SB08a.

Though 37 CFR §1.56 specifically dictates that there is "no duty to submit information which is not material to the patentability of any existing claim," all information known to the undersigned and applicant is submitted herewith out of a sense of precaution to preclude/forestall any future issues of alleged bad faith or the like should a patent granted upon this application be subsequently court-tested.

A copy of the Supplementary European Search Report was mailed with the attached EP Office Action dated "18-07-2005." As the Office Action is dated July 18, 2005 and that is the date the EP Search Report was mailed, it is believed that this Information Disclosure Statement is in accordance with the time limits set forth in 37 CFR § 1.97(e)(1), therefore, no fee is attached. However, the Supplementary European Search Report itself is dated "23 June 2005," and if the Examiner believes a fee is required, he is authorized to charge the necessary fees to the deposit account of the undersigned, i.e., 50-1716.

Very respectfully,

DILLER, RAMIK & WIGHT
